

NIKHIL CHAVAN

WEB DEVELOPER

PROFILE INFO

To secure a responsible and challenging career in a reputable organization where I can utilize my learning, knowledge and skills to the maximum extent and make a significant contribution to the growth and success of the organization.

WORK EXPERIENCE

Web Developer Infozzle

FEB 2021- Present

- Designed, developed, and launched multiple websites, including Kidz Auto, Hilhim, Gits, Venoor, Throughput, Sunteck India, Qualitia, using HTML, CSS, JavaScript, Elementor and Wordpress.
- Implemented a dynamic structure to improve the client's website and presented the changes to the client, resulting in increased user engagement.
- Led a team of 4 (Designer, developers, and tester) to launch a website before the deadline, effectively managing and delegating tasks.
- Managed client stock and tracking information for E-commerce websites using WordPress.
- Conducted detailed application testing on Android and IOS, identifying and resolving critical bugs that prevented the launch of a faulty application.
- Updated an old website and made it responsive on all devices using pure HTML, CSS, and JS, improving user experience.
- Fully managed website maintenance, backup, content updates, new page creations, and communication with clients, ensuring optimal website performance and customer satisfaction.
- Demonstrated leadership potential by effectively managing multiple projects and achieving high levels of client satisfaction through regular communication and collaboration.
- Willingness to take on more responsibilities and grow within the company.

ABOUT ME

Nationality

Indian

Hobbies

Coding,
Gaming,
Basketball,
Football

Date of birth

30th August, 1998

Marital status

Single

- **Project Management:** As the manager, I oversaw a team of 3 developers, a designer, and a tester, ensuring efficient coordination, clear communication, and regular progress updates. Implemented agile methodologies to streamline development and meet project milestones.
- **Client Interaction and Contract Acquisition:** Managed client interactions, understanding their requirements, addressing feedback, and providing timely updates. Successfully secured the contract for the rocket glider game project through effective negotiation and persuasive skills.
- **Development and Launch:** Actively involved in the game's development, collaborating with a co-developer to design, code, and ensure optimal functionality. Met project deadlines, conducted thorough testing, and launched the game on the Play Store, enabling players to access and enjoy the final product.
